Notes:

- ¹ Facilities or equipment not listed are not available for rental.
- ² Other terms and conditions may apply - refer to District Policy KG_R.
- ³ Deposit amount is per rental agreement. Only one deposit per playing season is required for field and ground rentals by youth recreation groups.
- ⁴ Fees are on an hourly basis unless otherwise stated.
- ⁵ Rental fees generally include the cost of a custodian provided the event occurs during normal working hours. If the event extends beyond normal working hours or the event occurs on a weekend or holiday, additional personnel charges will be assessed at the rate shown. All additional hours are billed at overtime rates plus benefits. In some cases, the Rental Coordinator will require a Head Custodian to function as an Activity Supervisor. Custodians with lessor authority cannot be substituted to reduce costs as such action may compromise the security of District facilities. Likewise, charges for the Activity Supervisor and/or custodian cannot be deducted from the rental fee.
- ⁶ NC means NO CHARGE and NA means NOT AVAILABLE for this category.
- ⁷ Neighborhood Community Councils are permitted to use school facilities at no charge provided arrangements are made through the Rental Coordinator.
- ⁸ Miscellaneous charges are for those services not included in the basic rental fee for buildings, fields or grounds. These fees are necessary to offset the costs associated with the operation, maintenance and/or replacement of the item listed and cannot be deducted from the rental fee.
- ⁹ Refrigerated air-conditioning systems are NOT operated outside of normal school hours. Cooling will only be provided at the user's request and upon payment of the additional fees. Site with evaporative systems are permitted to operate as needed after normal school hours.
