

# Maturation Presentation

Dear 5<sup>th</sup> and 6<sup>th</sup> Grade Parents,

Maturation Program Date \_\_\_\_\_ Time \_\_\_\_\_

Our fifth and sixth grade students will be attending a presentation on the subject of maturation. There will be discussions on the physical and emotional aspects of growing up. The responsibility that goes along with maturing physically will be stressed. Please feel free to attend. The curriculum and visual aids have been approved by the District Maturation Committee. Please take some time to discuss family values and the moral implications of this subject with your child.

Children under three years old have proven to be a distraction to mothers, fathers, students and the speakers during the program. Please set aside this special time for your 5<sup>th</sup> or 6<sup>th</sup> grader.

Our speakers are district approved and follow the State Core Healthy Lifestyles Curriculum.

We hope to see you there!
