#### Salt Lake City School District Names New Highland High Principal

(Salt Lake City) – Salt Lake City School District today announced Paul R. Schulte as the new Principal at Highland High School.

Mr. Schulte comes to Highland High School and Salt Lake City from Wichita, Kansas, where he has served as Assistant Principal at Wichita High School East since 1998. He has extensive experience in special education and working with diverse student populations. Prior to working as an assistant principal, he was a special education teacher and worked for several years at Box Elder Junior and Senior High Schools in Brigham City, Utah. Mr. Schulte earned a bachelor's degree from Southern Connecticut State University in New Haven, Connecticut. He also holds two master's degrees, one from Utah State University in Logan and another from Friends University in Wichita, Kansas.

“Mr. Schulte comes highly recommended,” said Superintendent McKell Withers. “His colleagues in Kansas give him high marks. I think he will be a great leader for Highland High.”

Former Highland High School Principal Ken Powell has accepted a position in the Salt Lake City School District administration office. He will serve as the Director of Student Information and Projects.
