School Choice Fair

All students are encouraged to participate!

Come learn about educational options that are available as part of your child's public school experience. Choices are available for Pre-K, Elementary and Secondary levels that offer academic rigor, a range of instructional strategies, and are responsive to the needs of our diverse student population. Participating programs will include:

- Curriculum & Assessment (C&A)
- Academy for Math, Engineering & Science
- Early Childhood programs
- Academy of Information Technology
- Open Classroom
- Health Professions Academy
- Teaching Professions Academy
- Business Academy
