

Salt Lake City School District 2008 WELCOME BACK

Friday, August 22, 2008

8:30 a.m.

Highland High School Auditorium

The Salt Lake City Board of Education, Mayor Ralph Becker, and Superintendent McKell Withers invite you to attend the 2008 Welcome Back. The District Teacher of the Year will be announced. Mayor Becker will share his vision and support for our public schools. Superintendent Withers will highlight some of our successes in meeting the needs of our students and their families. Our collective effort and progress make Salt Lake City a great place to live, work, and raise children. We provide the best choices, services, and outcomes in our neighborhood public schools.

Please remind your colleagues and encourage them to attend as well. The 2008-09 school year is off to a great start in our year round schools. It is now time for the rest of us to focus our best efforts for this new year. We look forward to seeing you at this very important event.

As in years past, Job Alike sessions will follow the Welcome Back.
