ACADEMIC INTEGRITY

We expect staff and students to demonstrate high standards of academic integrity. Academic integrity is defined as respect for the others ideas and work through proper acknowledgment and referencing. No cheating of any type on school work, tests or quizzes will be tolerated. Academic dishonesty/cheating may include any of the following and may be applied to work in any medium (i.e. written or audio text, film production, photographs, published images, other artist's work, electronic devices, computer programs, etc.)

- Inappropriate/inadequate acknowledgment- material copied word for word, which is acknowledged as paraphrased but should have been in quotation marks, or material paraphrased without appropriate acknowledgment of its source.
- Verbatim copying- Material copied word for word or exactly duplicated without any acknowledgment of the source.
- Collusion- Material copied from another student's assignment, course work or exam with his/her knowledge.
- Stealing- Material copied from another student's assignment, course work or exam without his/her knowledge.
- Ghost writing- Assignment written or purchased by a third party and represented by a student as his/her own work.
- Consequences- Teachers will follow established classroom policy for dishonesty.
- Appeal process- Written appeal to the teacher, conference with the student, a parent and the teacher, conference with an administrator. Note: the appeal process must begin within 10 school days.

ACCEPTANCE OF EXTERNAL CREDIT

Credits and grades awarded to students from an accredited school must be submitted for review at least 30 days prior to graduation. This includes credit from any source other than the Salt Lake City School District. Students will have the opportunity to make-up credit at their high school until the 3rd week in May. Students should work closely with their school counselor.

ACTIVITY/ID CARDS

Students are issued an identification/activity card at the beginning of the school year and should carry it with them while at school and school activities. Activity cards provide free or reduced admission to many of the school activities. Each activity card must only be used by the person to whom it was issued and will be confiscated if used inappropriately. Students are required to have their identification card in their possession at all times when on campus. Students will be required to display activity cards as part of their hall pass, for admission to school activities, and at school sponsored functions. Replacement cards are available with a fee of \$5.00.

ALCOHOL AND DRUG VIOLATIONS (POLICY S-3)

District policy prohibits use, possession, sale or distribution of alcohol, controlled substance, imitation controlled substance, or drug paraphernalia in any school-sponsored activity or on any vehicle used by the district to transport students to or from an activity during any time of day or night. Violation consequences may include, but are not limited to an automatic law enforcement referral, suspension, mandatory parent conference, nonuse agreement, activity probation, treatment program enrollment, and/or possible alternative placement.

ASSEMBLIES

Assemblies are for the enjoyment of all students. Students are expected to attend the assembly or another assigned area and remain until the program is over. We expect students to be respectful of others by listening, showing courtesy, and being positive at all times. This includes no talking, cat calling, etc. during the program and keeping feet off the seats. Also, no food or drink is allowed. Disorderly students will be removed from the assembly and may forfeit future assembly privileges.

ATTENDANCE (POLICY S-4)

Salt Lake City School District is committed to quality education. We are concerned when a child misses school for any reason. The process of education requires a continuity of instruction, class participation, learning experience, and study. Frequent absences of students from day-to-day classroom experiences disrupts their educational and instructional progress.

Utah Compulsory Attendance Laws (Code 53A-11-101-105) require that “every school age child (ages 6-18) be enrolled in school and attend regularly.” Parents and students are responsible for regular attendance. Students may be excused from school attendance for valid and legitimate reasons: illness, medical appointment, family emergencies, death of family member or close friend, observance of religious holidays and family activity or travel (approved and arranged in advance with the principal).

When a student is absent, a parent/guardian should call the school. If no contact is made, the student is required to bring a note from the parent/guardian to the office upon returning to school.

In the Salt Lake City School District:

- After eight (8) or more days of EXCUSED absences (or equivalent class periods) within one school year, the principal may require a doctor's note to excuse subsequent absences.
- After Five (5) or more days of UNEXCUSED absences (or equivalent class periods) within a school year, a First Truancy Notification and Citation will be issued requesting parent's help with their student's attendance.
- After ten (10) or more days of UNEXCUSED absences (or equivalent class periods) within a school year, a Second Truancy Notification and Citation will be issued. Parents must schedule a conference with school officials to attempt to resolve the student's attendance issues.

- A student is considered to be "habitually truant" when s/he has received two or more truancy citations within a school year.
- After fifteen (15) or more days of UNEXCUSED absences (or equivalent class periods) within a school year, a Third Truancy Citation and Notice of Pre-Court Hearing will be issued requiring an appearance at a Pre-Court Hearing. Parents or guardians with students under the age of 12, including school information, may be referred to Salt Lake County District Attorney. Students older than 12 years of age, including school information, may be referred to the Third District Juvenile Court.

To appeal a Truancy Citation, submit the appeal in writing to the Student Services Committee (SSC) at the school where your child is enrolled. Appeals must be submitted to the SSC within 15 days of the date the citation was issued. Refer to Policy S-4 and S-4 Administrative Procedures.

If you have questions about your child's attendance, including excused and unexcused absences, please contact the school where your child is enrolled. Your support and cooperation are appreciated.

BELL SCHEDULES

Bell schedules are posted in teachers' classrooms and in the offices at school.

CAFETERIA, COMMONS, AND SCHOOL CAMPUS

Conduct should reflect common courtesy. Each student should:

- Take proper turn in the serving line
- Remove all waste from the table and leave it clean for the next person to use
- Keep all food and drinks in the cafeteria or in the commons area
- Place all trash in trash containers
- Do not throw food, drinks or trash
- Keep the campus clean by placing all trash in the trash containers

CAREER AND TECHNICAL CENTER (CTC)

The CTC offers capstone classes in CTE pathways such as nursing, medical assisting, computer animation, computer programming, fire science, law enforcement, EMT, forensics, chef prep, barbering, nail technology, and many other pathways. These courses provide opportunities for certification and technical skills needed to prepare for future employment and/or successful transition to college. CTC classes are on the high school registration card and students can register with their counselor.

CITIZENSHIP

Students are expected to treat each other and staff with dignity, courtesy, and respect. Appropriate language is expected at school and activities. Abusive, vulgar and profane language or gestures will not be tolerated; this behavior may be referred to the appropriate authorities.

CLUBS AND ORGANIZATIONS (POLICY I-16)

Becoming involved in at least one club greatly enhances your school experience. Every club has its own requirements as well as a social program which affords an opportunity to get acquainted with students who have interests similar to yours. All are welcome to participate. Students may also start clubs as long as they have a faculty sponsor and obtain official approval. Clubs should be an extension of normal school activities. All clubs are subject to approval by the school administration.

COUNSELING CENTER

Comprehensive guidance and counseling services are available to all students. These services include assistance with educational planning, interpretation of test scores, career and occupational information, evaluation of credits and grades, information on scholarships and financial aid, assistance with personal problems, or any questions a student would like to discuss with the counselor or social worker. Counselors will schedule individual appointments with each student and parent to review their SEOP during the school year.

DANCES

Dances are for students and their partners. Student I.D. will be required if tickets are purchased at the door. All individuals in attendance are expected to comply with the schools rules and policies. School dress code is required for all stumps and dress for semiformal dances must be modest. Students will not be readmitted to a dance after leaving the activity.

DEMOGRAPHIC INFORMATION

Please notify the Student Service Center if you have a change in your home address or telephone numbers. Special permits are required for all students who live outside school boundaries.

DRESS AND GROOMING (POLICY S-5)

Students, teachers, and staff are expected to dress in a manner that demonstrates they respect themselves and the learning environment. Clothing should be neat, clean, and appropriate for learning and weather conditions. School administrators will determine consequences for students who violate the dress code and will

provide appropriate due process. Parents may be called to bring the student a suitable change of clothing. Parents are also expected to observe the dress code whenever they are in the building.

The following would be considered in violation of the dress code:

- Garments that are low enough to reveal a student's underwear
- Clothing advertising drugs, alcohol, tobacco, acts of violence, or lawlessness
- Clothing associated with gangs, illicit drugs, or illegal substances,
- Clothing with offensive and/or vulgar language and/or designs
- Clothing which calls attention to the body, including bike pants, spandex, unitard knit tights, body suits, sheer clothing or skin tight clothing
- Hats or caps, hoodies, and sunglasses worn in the building
- Short shorts, running shorts, or miniskirts (as a rule of measurement, shorts hem should reach the finger tips when arms are held loosely at the side)
- Crop tops showing midriffs, tube or tank tops, or halters
- Coats worn in the building during instructional time
- Belt tails that dangle
- Flip-flops or bedroom slippers
- Backpacks are not allowed in classrooms. They are to remain in lockers at all times

Absolutely nothing will be allowed at school that is intended, recognized, or acknowledged by the Metro Gang Task Force, to signify affiliation with, participation in, or approval of a gang.

DUE PROCESS

It is expected that the majority of problems arising in a school can be solved through consultation between the student, teacher, parents or school administrator. When students' behavior or actions are sufficiently disruptive as to interfere with the educational process, appropriate action must be taken. However, this action must comply with the "Due Process" provision of the Fourteenth Amendment of the United States Constitution.

Due Process is the procedure followed by the Board of Education employee when a problem arises. This procedure is an administrative action, not a judicial action and requires fairness and reasonableness in all actions taken.

In the case of serious problems or repeated offenses, students will be referred to the weekly meeting of the school student services committee where home study, alternative placement, or other serious action is contemplated. Both parents and student are contacted and invited to attend so that an appropriate decision can be made.

Appeals- When parents/guardians are concerned regarding the placement or treatment of their student, they have a right to appeal to the principal. Due process procedures are to be followed in all cases. Parents and students may be represented by counsel if they so desire. Appeal for a review process of action taken at the school may be made to the Superintendent of the Salt Lake City School District.

EARLY GRADUATION

Salt Lake City School District allows interested students to graduate early. The following guidelines apply:

- A Student Education Occupation Plan for early graduation must be completed. This should be done as early as possible (preferably at the beginning of the ninth grade).
- All other graduation provisions must be met including prescribes course and credit.

ELECTRONIC DEVICES (POLICY S-11)

The use of CD players, iPods, headsets, pagers, cell phones, cameras, or other personal electronic equipment is not permitted during class time in the classroom. These items must be turned off and placed out of sight in the classroom. Exceptions to this policy may be made for health and safety reasons. The student's parent/guardian must meet with the school principal to discuss such exceptions. Students who violate this policy will have their item confiscated by a school official and given to an administrator. A parent or guardian will need to personally retrieve the item from the administrator. The school is not responsible for lost, damaged or stolen electronic equipment, and will be unable to assist students in retrieving misplaced or damaged items; students bringing such equipment to school do so at their own risk and bear the responsibility for loss, theft, or damage.

ELEVATORS

Elevator use is restricted. Students with a physical disability, permanent or temporary, may contact the main office to obtain permission to use the elevator. A \$5.00 fine may be levied for failure to return an elevator key.

EVENING ACTIVITIES

Activities held on campus during the evening must have clearance from the administration and custodial staff. These activities must at all times have a sponsor present. A request must be submitted and approved at least two (2) weeks prior to the event.

ELECTIONS

Elections for Student Body Officers and Class Officers are held in the spring of each year. Freshman Class Officers and Class Officers are held on the fall of each year. Selected officers are the assemble Chair, Business Manager, Publicity Chair, Video Chair, Newspaper Editor, TV Editor, and the Head Cheerleader and Mascot (from the Varsity Cheerleaders). Student Body Officer candidates must have earned at least a 3.0 GPA each of the two quarters immediately preceding the election. After elected, the officers must maintain their eligibility and be in good standing or they will be placed on probation or be removed. Students must be enrolled full time in order to be eligible to run or serve in an elected office. No student may hold more than one political office during the calendar year.

EXTRA-CURRICULAR ACTIVITIES (POLICY I-15)

Non-sanctioned sports such as skiing, rugby, etc. should not take place during school time. Materials advertising county or city recreational activities must receive approval from the school administration prior to distribution.

FEE WAIVER GUIDELINES (POLICY S-10)

Fee waivers, or other provisions in lieu of fee waivers, will be provided to ensure that no student is denied the opportunity to participate in a class or school-sponsored activity because of an inability to pay a fee. The principal or his/her designee will administer this policy and grant waivers in a manner that is fair, consistent, and objective. Inability to pay is presumed for students who are in state custody, foster care, or who are eligible for free school lunch. Case by case determinations may be made for those who do not qualify under one of the foregoing standards but who are not reasonably capable of paying the fee. Extenuating circumstances include, but are not limited to, exceptional financial burdens, loss or substantial reduction of income, or extraordinary medical expenses. Parents or guardians of students eligible for fee waivers must provide proof of eligibility. All documentation will be reviewed by the principal or his/her designee and returned to the parent or guardian, or immediately destroyed. Any requirement for a student to pay a fee is suspended during the period the student's eligibility for waiver is being determined.

FIELD TRIPS

All students who participate in school-sponsored field trips must travel on public or commercial transportation, school buses or adult-driven cars. Students must receive prior approval from the teachers whose classes they will miss. Field Trip Excusal Forms are available in the main office.

FIRE AND SAFETY

No person shall be allowed to use flammable materials, lighters, matches, candles or any kind of open flame in the school building except when using laboratory or domestic science equipment and under supervision of a teacher. Violation of this policy is considered to be a severe infraction which will result in suspension and law enforcement referral.

The high school will be authorized to distribute Key Cards to eligible students starting in September. These Key Cards will allow students to claim various prizes on the Keys to Success website at www.kengarffkeys.com as well as be included in the drawing for the vehicle giveaway. One vehicle will be given away to one student at each of the high schools. Students must remain in good standing during the final semester as well.

LIBRARY/MEDIA CENTER

Students are encouraged to use the library often to browse, read, research, and study.

1. Users are expected to conduct themselves in such a manner as to make quiet study possible for all.
2. If the user persists in causing a disturbance after individual library service has been offered, he/she will be asked to leave.
3. Students found damaging materials or furniture or vandalizing library property in any way will be subject to disciplinary action. This may result in library privileges being suspended for a period of time.

LOCKERS

Lockers are school property and are loaned to students for their convenience. The school reserves the right to inspect lockers. Lockers must be kept clean and free from stickers, fire-hazard material, etc. Fines can be assessed for locker damage or un-cleanliness. Only the student assigned to a locker is eligible to use the locker. For your own safety, do not keep money and/or valuable items in lockers. It is recommended that you take extra precautions against theft when using your PE lockers.

LOST OR STOLEN ITEMS

All lost and found articles should be turned in immediately. Items must be accurately identified by their owners before being returned. Useful items that are not claimed will be donated to charity. Everyone should take precautions to avoid the loss of personal belongings. Personal property brought to school for any reason is solely the responsibility of the owner. Lost or stolen items should be reported immediately to the school resource officer as well theft of personal property. The school is not responsible for theft but will assist in filing a police report and conducting an investigation. Theft is a severe violation of the school discipline plan and may result in a suspension and a law enforcement referral.

LUNCH ACCOUNTS

The student cost for school lunch is \$2.50 per meal. Each student will have their own lunch account where they can pay in advance or pay daily for meals. Lunch can be paid for at registration or daily at lunch once school begins. Applications for free/reduced meals are available in the main office or cafeteria for those who might qualify.

PUBLIC DISPLAY OF AFFECTION

Displays of affection, other than handholding are considered inappropriate. A high school campus is not a place for overt displays of physical affection between students. Students are expected to demonstrate restraint at a public place. Students who fail to do so will be required to have a parent conference with the administration.

REGISTRATION

Students make class requests in the spring and then receive a notification of the online registration process by the first week of August. The following items will be needed in August when students come for registration:

- Payment of school fees
- Proof of Immunization (if not already on file at school)
- Vaccination Permission Form
- Transcript copy (if not currently attending one of our feeder schools)

Other required and optional forms such as the Internet Acceptable Use Agreement, parking permit, PTSA membership, etc. will be available online.

SCHOLARSHIPS

Many scholarships are available to students. While donors of these scholarships are interested in students who have achieved scholastic excellence, they also look closely at those who exhibit good citizenship, qualities of leadership, and development of individual talents. Students interested in scholarships should contact their teacher or counselor. They will be helpful in providing additional information as well as assisting students in preparing and applying. Students may also write to the Financial Aid and Scholarship Office of any particular college. Senior students should be aware of early application deadlines. There are many scholarships for non-seniors. Please check with your counselor.

SCHOOLWIDE DISCIPLINE PLAN

Each school has developed a discipline policy that contains expected behavior standards for students in the classroom and on school grounds.

SEARCHES (POLICY P-7)

Do not bring inappropriate items to school or to any school activities. Lockers are the property of the school and can be searched at any time by school administration or their designee. School personnel can also search personal property and vehicles on school campus or during school activities based on reasonable suspicion.

SHARED GOVERNANCE

Salt Lake School District operates within a leadership style called Shared Governance. The philosophy of Shared Governance is that the community and district/school personnel actively participate in the governing and decision making of the school within the limits of law, state and federal rules and regulations, district guidelines, procedures and plans, negotiated employee agreements and contractual obligations, Board policies, budgets and ethics. The underlying theory of Shared Governance decision making is that faculty, staff and community shall make decisions that focus on students' needs, work to improve student performance, conform to all requirements and include collaboration among neighboring schools. The overall standard is "what is in the best interest for students". (2002) Shared Governance guide)

Three groups exist in this formal Shared Governance process: The administration, the SIC (School Improvement Council) which includes the faculty/staff representatives and the administration, and the SCC (School Community Council) which includes the SIC members and community representatives. Community members are chosen from geographical areas of the school's population and efforts are made to accurately represent the makeup of out student body population. The Community Council meets on a monthly basis and the public is welcome to attend. We encourage you to contact any of the Community Council members for input or questions.

SKATEBOARDS, LONGBOARDS, ROLLER BLADES, AND SCOOTERS

Non-motorized transportation to school is encouraged. However, students are prohibited from riding all wheeled equipment (bikes, scooters, skateboards, “heelies”, roller blades, etc.) on school grounds. Any wheeled equipment must be walked/carried while on school grounds and properly stored. The school/SLCSD is not responsible for lost or stolen items. Students who violate the rules may be prohibited from bringing wheeled equipment to the school in the future at the discretion of the school principal.

SNOW CLOSURE/DELAYED START/EARLY RELEASE GUIDELINES

School will be open on all school days unless circumstances create health or safety issues for students and staff. Severe weather conditions may force school closures, delayed starts or early release. The following information details the procedures to be followed:

- Parents and employees should check television or radio news for school closures, delayed starts, or early dismissal of students.
- Authorization will come from the Superintendent or his/her designee. All school closures, delayed starts, or early dismissals are for one day only.
- No television or radio announcements mean that schools are open and regular schedules will be followed.
- Parents are encouraged to create an emergency plan for their students. Parents should plan with their students where to go or what to do if the parent is not home and schools are closed, delayed starting or dismissed early.
- Parents are asked not to call the school or the district office. Telephones will be used for emergencies.

STUDENT HANDBOOK AND PLANNER

Every student purchases a handbook/planner at the time of registration. Students must bring their planner with them to school every day. The planner contains useful information for students and parents. Please take time to read the planner carefully. A replacement fee will be required in the event the planner is lost. Replacement planners can be purchased in the treasurer’s office.

TESTING

Tests are required of Utah students. CRT tests are given near the end of the academic year and include testing in various Language Arts, Math and Science classes. CRT tests measure student progress and are used to comply with Federal requirements, primarily the No Child Left Behind legislation. Students in 10th grade are required to take The Plan and 11th graders are required to take the ACT. Other various tests are also offered

during the school year. Contact the counseling center or the school administrator if you would like more information on testing.

TRACKING SHEETS

Tracking sheets can be used by parents/guardians who wish daily information on their student's attendance, class work, or classroom behavior. Tracking sheets are available in student service center or attendance office.

TRANSCRIPTS

Official copies of student transcripts are available at the registrar's office for \$1.00 each.

UHSAA ELIGIBILITY AND INSURANCE

Utah High School Activities Association eligibility requirements include, but are not limited to no more than one failing "F" grade per term, full time enrollment in school, completion of a physical examination and medical release from a physician, and verification of medical insurance coverage. Fourth quarter grades determine fall eligibility. Participants in athletic activities are required to have proof of appropriate medical insurance prior to participation in any extracurricular activities. The school and district do not carry accident insurance and are not liable for participant's injuries. Students may purchase coverage through the optional school insurance program if not covered by their family plan.

USE OF PUBLIC ADDRESS SYSTEM

As a general policy, announcements are to be made only once per day at a designated time. The PA system will be used only for announcements that have school-wide interest. PA announcements should be submitted in writing with items clearly stated and countersigned by the faculty sponsor to the main office one day prior to the announcement. No PA announcements will be made during the two lunch periods.

VISITORS (POLICY C-2)

Parents are welcome anytime. It is expected that any person entering a school will check in at the office and receive a visitor pass or a badge. If you desire more than just a visit, such as a conference with your child's teachers or the principal, please call ahead to schedule a convenient time to meet. Parents need to respect teacher's time prior to school each day as teachers are preparing for students' arrival. All other individuals - brother, sisters, relatives or former students - are not to visit the classrooms without proper permission from the office.

PRINCIPLES OF EQUITY/MULTICULTURALISM

(“Principles for Equity in Utah Public Schools”)

Equity—fair and just treatment of students, staff, and community members—is the cornerstone of an educational framework. Achieving equity means individual differences are valued; high expectations are held for all; instruction occurs in inclusive environments; diversity is recognized and appreciated; and discriminating, stereotyping, and bias are not accepted.

Equity recognizes the need to treat unequal’s differently in order to ensure that the quality of the educational experiences are equal and of high standards.

Diversity and diverse backgrounds are terms which encompass the variety in people due to different backgrounds. Throughout this document, diverse backgrounds include, but are not limited to national origin, primary language, culture, race, ethnicity, gender, religion, disabilities, and/or economic status.

The Utah State Board of Education believes that all students should be provided with equitable opportunities to learn and flourish in Utah's public schools. The Utah State Office of Education believes that all students can learn and must have full opportunity to learn. The Utah State Office of Education is committed to effecting change in student performance by providing an appropriate school curriculum, quality instruction, a safe and caring school climate, ongoing teacher education, and frequent parent involvement in order to ensure that all students are provided with equitable opportunities to learn.

The final outcome of effective and equitable instruction must be achievement of students which enables them to be active, thoughtful participants in a rapidly changing society. This vision includes:

1. High expectations for all students.
2. Equitable access to rich curriculum content
3. High quality instruction in all classrooms.
4. Sensitivity to equity issues by teachers and school administrators.
5. Knowledgeable educators who use inclusive practices.
6. Policies that support and facilitate equity.

SECTION 504 OF THE REHABILITATION ACT OF 1973 (POLICY S-12)

Section 504 is an act which prohibits discrimination against persons with a disability in any program receiving federal financial assistance. The Act defines a person with a disability as anyone who:

- has a mental or physical impairment which sets substantial limits on one or more major life activities (such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, or working)
- has a record of such impairment
- is regarded as having such an impairment

Salt Lake City School District has the responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability should knowingly be permitted in any of the programs or practices of the school system.

School district responsibilities under Section 504 include the obligation to notify, to evaluate and, if the student is determined to be eligible under 504, to afford access to appropriate services.

Any parent or teacher may contact their schools' 504 liaison to request that a student's need be reviewed and accommodations considered. The school's 504 liaison will convene a Student Services/504 Committee Meeting at which parents and teachers will present data on the student's disability, the disability's impact on a major life activity, and possible accommodations that might be implemented at the school to meet the student's needs. Eligibility for a 504 plan will be determined. If a student is found eligible, a 504 plan will be created that identifies the agreed upon accommodations specific to each student. This plan will then be put into effect.

If the parent or guardian disagrees with the determination made by the professional staff of the school, s/he has the right to initiate an appeal process through the District 504 Coordinator.

If there are questions, please feel free to contact the Section 504/ADA Liaison at your neighborhood school or the district coordinator at the Salt Lake City School District: (801)578-8414.

If you wish to exercise this right, you should submit to the school principal or the principal's designee a written request that identifies the record(s) you wish to inspect. The principal will make arrangements for access and notify you of the time and place where the record(s) may be inspected.

If you wish to exercise this right, you should write the school principal, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the district decides not to amend the record as requested, the district will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information about the hearing procedures will be provided with notification of the right to a hearing.
 - c. The right to give written consent before the district may disclose personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
